Professional Summary

Frontend Developer and Marketing Automation Specialist with experience in React Native, JavaScript, Supabase, CRM, and email marketing. Built a driving license learning application in Tigrinya from concept to launch-ready product and delivered freelance WordPress solutions. Passionate about creating responsive, user-focused digital products and solving real-world problems through technology.

Professional Experience

Freelance Fontend Developer

March 2026 – Present

- Developed a driving license learning mobile app in Tigrinya using React Native from concept to launch-ready product.
- Built the application using React Native and Supabase, including frontend development, database integration, and UX design.
- Strengthened skills in modern web development, problem-solving, and end-to-end product development.
- Worked as a freelance developer on a WordPress bookstore project, customizing features and improving the overall user experience.
- Gained practical experience working independently and delivering solutions based on real client needs.

Marketing Automation | Minigron | Aquacubes | Heide, Germany

March 2020 – 2024

- Built automated workflows for newsletters and lead nurturing.
- Published content across channels (website, LinkedIn, Instagram).
- Designed and developed email newsletters using Zoho Automation and Zoho Campaigns.
- Prepared and presented monthly progress reports and documentation.

Marketing Automation – LIA | Flic Smart Button | Stockholm, Sweden

Jan 2020 – Mar 2020

- Performed data analysis to better target current and potential customers.
- Managed weekly email newsletters, content creation, and performance tracking (Mailchimp, Google Analytics).
- Supported customer journey mapping and segmentation to improve sales.
- Assisted with SEO optimization to drive website traffic and strengthen social presence.

Marketing Assistant | Vattenfall Heat Sweden | Stockholm, Sweden

Jun 2018 – Nov 2018

- Managed customer contact details and GDPR-related information across departments.
- Analyzed customer satisfaction surveys and proposed improvement measures.
- Collaborated with a product manager on customer satisfaction and code of conduct initiatives.
- Assisted with administrative tasks (templates for reporting, tracking sales/revenue, and marketing brochures).

Administration (POS & Accounts Payable) | The Absolut Company | Stockholm, Sweden

Sep 2016 – Oct 2017

- Issued billing information for multiple brands and international markets (Pernod Ricard).
- Verified and processed supplier invoices for payment.
- Communicated order status (freight costs, dispatch status, and order details) to customers.
- Prepared and reported monthly reconciliation journals across intra/inter departments.
- Reported directly to the Director of Marketing Procurement.
